

July 19th  
10:00a.m. - 3:00p.m.  
At "Stitches" quilt shop  
1479 W. Eisenhower Blvd. Loveland, Co

Shelia, the shop owner, has offered the use of her sewing machines so there will be no need to bring your own machine. Fabric kits will be provided but you will need to bring your own notions (thread, pins, seam ripper, rulers, rotary cutters, etc.) when we have sewing days at quilt shops they have cutting mats and irons so no need to bring those items.

You are welcome to bring your lunch, drink or snack.

These days are a good opportunity to get acquainted with the fabulous and creative members of LNCQ while having a great time sewing.

We know you have busy lives, so know that it is okay to come when you want, stay as long as you can, and leave when you need to.

Hope to see you then!
