

2018 Challenge: -Appliqué the easy way

FREE APPLIQUES THE EASY WAY... Choose your design before the May meeting

The designs LNCQ is providing are found at this location on the link:

<https://drive.google.com/drive/folders/1IEZGwP7MzXP5OHMkaR0bZMXQiFSPEAYU>

Rules & Guidelines

- You must use something quilted old or new on which one or more of a laser cut fusible appliqué(s) or multiples of them are used.
- The embellishment project must have been started as of 2018 (i.e. not just a laser cut project you already had started)
- Challenge members may order and receive a set of laser cut dies by depositing the entry fee of \$5, but you are welcome to purchase additional die cuts.
- We encourage you to try an original design utilizing the appliqués and whatever other embellishments you'd like to add! You may also use a pattern, (And always give credit to the designer when sharing images.)
- The deadline for enrolling in this year's challenge is **the May LNCQ meeting except for new members who join after that during 2018.**
- Please submit your finished project to Eileen Maelzer, special project chair (text or call 970 593-8361) **by January 15, 2019.** There will be a reveal at the February 2019 LNCQ meeting with audience voting for the top three. The prizes will be awarded to the top 3 by member vote in February 2019. Those who complete the challenge by submitting their finished project for voting will receive their \$5 deposit back from LNCQ.
- Happy appliquéing!
