Cut and Kit Days

May 24, 2018

June 12, 2018

Both days will be at the Ranch

In the McKee Building

9:30 a.m. - 3:00p.m.

These will be days that we cut fabric that has been donated to us by the Clearwater Church in Fort Collins. We will put the fabric into kits for charity quilts which will be ready for sewing.

We will not sew on these days!!

Bring your long rulers, large square rulers and cutting tools.

Be sure your name is on everything.

You are welcome to bring your lunch, but the Ranch has a policy that food from restaurants is **NOT** allowed. But you can bring a sack lunch of homemade food.

Days like these are great ways to meet new quilters and reacquaint with familiar faces. So please join us for lots of enjoyable "socializing".

We know you have busy lives, so feel free to come when you want, stay as long as you can, and leave when you need to.

My personal thanks to Laurie Motz, Chris Hamrick, Karen Mosher and their husbands who were a great help in picking up and transporting these materials.
