

# LNCQ announces

## Design That! Quilt with Electric Quilt (EQ) Workshop

*Presented by Jennifer Rapacki*

Increase your quilting creative potential! Take your design process to a new level by learning the EQ Quilt Design software. Detailed step-by-step instructions for exercises will be provided. This is a beginning introduction class.

Topics include, but are not limited to:

- Understanding the role of the sketchbook
- Learning the EQ workspaces: Quilt, Block, Image
- Libraries
- Creating a quilt project and learning the tools

Hands-on, **Laptop required.**

Students can "*try before they buy*" with a 14-day trial version to be installed in class by the instructor (Mac or PC)

**Note:** No experience with Electric Quilt is required to take this class, but student needs to have basic computer skills, such as the ability to load software, use a mouse or trackpad, find and open the software, and find files on their computer.

**Date:** Monday, February 4, 2019

**Time:** 8:30 a.m.

**Location:** To be announced

**Cost:** \$45.00 for 2019 members; \$70.00 for guests      Make check out to LNCQ

**Mail check to Sissy Young, 244 Camino Del Mundo, Ft. Collins, 80524 by *January 16, 2019***
