Winter Retreat

January 13-15, 2020

If you will need to relax and re-charge your batteries after the holidays, get away from the house cleaning and spend some well-earned time at the machine.....

*Then this is for **you!***

Mark your calendar in ink and join your quilting friends, old and new, at the Best Western Plus Loveland Inn for 3 fabulous days of pure contentment.

*You will have the **option** of going home to your own bed to sleep or you may book a room at the inn and sleep there.*

All of the particulars will be coming your way in early November, 2019.
