Suzi Parron

'Following the Barn Quilt Trail'

Author of: *Following the Barn Quilt Trail and Barn Quilts and the American Quilt Trail Movement*

Suzi will take us on a journey along the quilt trail, beginning with the very first barn quilt. The presentation features over 100 stunning photographs of barn quilts, some which rival cloth quilts in their intricacy. You will hear stories of some of the individuals who have painted quilt blocks to honor loved ones or their local culture, along with humorous anecdotes. Come explore the way in which our quilting heritage takes on new meaning as barn quilt movement continues to expand. Check out Suzi's website to learn more about her journey: www.barnquiltinfo.com
